# ALAAEDDINE ELHAOUA

## FRESH COMPUTER SCIENCE GRADUATE

### SUMMARY

Detail-oriented **Computer Science Fresh Graduate** with proven **academic excellence** and hands-on experience in software engineering, database management and troubleshooting hardware and software. Proficient in **Arabic, English** and **French**.

### EDUCATION

**Bachelor's Degree in Computer Science** – 09/2020 to 01/2025

**Al Akhawayn University**, Ifrane, Morocco

Minor in Business Administration

**GPA: 3.78**

### WORK EXPERIENCE

**Inwi** 06/2024 - 09/2024

#### Agile Software Engineer - Internship

- Led a 4-person team to replace a manual Word-based order-tracking process with a web app using Django REST, React, and MySQL.
- Mapped requirements, ensured data integrity, tracked daily progress, and managed conflicts to meet sprint deadlines.

**M-AMTM** 06/2023 - 09/2023

#### Web Developer - Internship

- Built a React/Firebase application replacing a paper based logistics system.
- Performed parallel control tests, documented discrepancies and remediated validation gaps.

**Bestmedia Digital Marketing** 06/2020 - 12/2022

#### IT Specialist and WordPress Developer - Part Time

- Installed, configured, and tested audio/video recording equipment (cameras, microphones, lighting rigs) to support the company's content-creation workflows.
- Troubleshoot hardware and software issues for all team members; diagnosing and resolving PC, laptop, and peripheral malfunctions to minimize downtime.

**Al Akhawayn University in Ifrane**

**Teacher Assistant - Part Time** 01/2022 - 06/2022

- Assisted in Discrete Mathematics and Engineering Economics: graded assignments, held weekly office hours, and explained complex concepts to diverse student groups.

### CERTIFICATIONS / BADGES

- Essential Google Cloud Infrastructure: Foundation, Google – 2024
- Google Cloud Fundamentals: Core Infrastructure, Google – 2024
- Introduction to Encryption Course, Internet Society – 2023
- Professional Communication in a Culturally Diverse Setting, Soliya – 2023

### HONORS AND AWARDS

- Recognized for **outstanding academic performance**; President's List, Al Akhawayn University – Fall 2021 and Spring 2021
- 2nd place** in the Hack2Impact Hackathon, Huawei – 2023
